

LIVING GREEN™

Living Green is Fairfield's recycling and energy-efficiency plan for our communities.

Our goal is to provide opportunities to residents who are interested in making green lifestyle choices. This property will be Fairfield certified as a Living Green community and will offer the following amenities:

RECYCLING

- On-site recycling
- Use of recycled paper in offices and on promotional materials
- Battery and cell phone disposal location

ENERGY

- Motion detectors in models and common areas
- Ceiling fans increase airflow and decrease the need for A/C
- Dual-pane windows reduce the need for heat
- Energy efficient appliances in the home
- Energy saving light bulbs in models and interior common areas

ENVIRONMENT

- Low VOC paints
- Environmentally friendly cleaning products
- Non-toxic pest control

WATER

- Use of water-wise landscaping and reclaimed water for irrigation
- Faucet aerators, and low-flow toilets and shower helps promote water conservation

TRANSPORTATION

- Carpool communication center
- Bicycle storage area

OTHER

- Reusable shopping bags provided to residents
